Osha,

Having been recently alerted to a new round of smoking regulations, I wish to convey my thoughts as a small business owner. Since many of my customers smoke and some of my employees smoke, it would not be wise for me to ban smoking. Since I don't have the space, I can't set aside a separate smoking room. In a nutshell, I won't be able to comply with your regulations. I hope you can do better.

Thought fully yours,

Guy Cohen
